MEDIA EVENT TO SHOWCASE GMAA's 79th Wright Brother Awardees and Honorary Chairman

BREAKFAST EVENT

***Aeroservice Flight Simulator Center will demonstrate to Awardees and Chairman the Boeing 767
flight simulator October 26th
10:00am-12:00noon***

The Greater Miami Aviation Association is presenting a series of activities leading up their **Gala Event** scheduled on **November 17, 2006 at Parrot Jungle's Treetop Ballroom**. On Thursday October 26, the media and Awardees are invited to share a unique experience in flight training, as Aeroservice Flight Simulator Center will showcase the **Boeing 767 Flight simulator**, featuring the latest technology and advancements in pilot training and promises to be a once in a lifetime experience. Aeroservice Flight Training Center is located at 3814 Curtis Parkway Miami Springs and media representatives are asked to be at the location **by 9:30am** for breakfast which will be followed by the simulator demonstration. Attending this exclusive event would be **Mr. Jose Abreu**, Director – Miami-Dade Aviation Department together, the GMAA Gala Awardees and their representatives, GMAA Board of Directors and Officers and other industry leaders.

Each year the GMAA, in conjunction with its Scholarship Foundation, hosts the **Annual Wright Brothers Memorial Awards Gala**. This prestigious award program honors outstanding individuals and business leaders for their substantial contributions to the Aviation and Aerospace industries within the South Florida community and the Americas. A fund dedicated to awarding scholarship grants to deserving college students pursuing aviation careers has also been established to ensure services provided by our future aviation professionals meet and exceed industry standards.

The Greater Miami Aviation Association (GMAA) was established in 1927 and continues to work in concert with other organizations, industry leaders, government and civic leaders to ensure professional, ethical positive action programs are implemented in matters relating to the Aviation and Aerospace industries. The Aviation and Aerospace industry is a significant contributor to the region's economic vitality. It generates more than \$20 Billion annually, with one in four jobs being aviation related.

Media representatives are asked to RSVP no later than Monday October 23, 2006 by contacting the Greater Miami Aviation Association, secretary@gmaa.aero or call Michael Matthews at **(305)498-3109**. As a measure of security press credentials and picture ID's are required for admission to the simulator demonstration.
